Subject: **Modules of SUNOWE Photovoltaic**

Solar Insurance & Finance (Solarif) declares, after a complete positive audit of the company, factory, environmental and labor conditions, that the SUNOWE Photovoltaic modules fulfill all expectations. Therefore clients of SUNOWE Photovoltaic can insure on project level – as option on the operational insurance – against damages arising from or caused by an inherent defect and the warranty, up to a maximum period of 20 years.

The insured warranty + inherent defect conditions are following the warranty contract of SUNOWE Photovoltaic.

This insurance is valid in all countries on the European continent. Other countries are possible after consulting Solarif.

The following module series can be insured:

**SF125x125-72-M, Wp: 155, 160, 165, 170, 175, 180, 185, 190, 195, 200, 205**
